Powick CE Primary School

‘Embracing Learning Together’

At Powick CE Primary School we are a caring Christian community where everyone is welcome and, following the example set by Jesus, we thread kindness and compassion through everything we do. Through working together, we desire for everyone in our community to flourish by developing their God given talents.

1. Legislation

The Equality Act 2010 ("the Act") provides a modern, single legal framework with three broad duties:

- Eliminate discrimination;
- Advance equality of opportunity; and
- Foster good relations.

Powick CE Primary School fully understands the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- Age;
- Disability;
- Race, colour, nationality, ethnic or national origin;
- Sex (including transgender);
- Gender reassignment;
- Maternity and pregnancy;
- Religion and belief;
- Sexual orientation; and
- Marriage and civil partnership (for employees).

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties.

These are to:

- Publish equality information as an appendix to this policy, that is on the website – to demonstrate compliance with the general duty across its functions - We will not publish any information that can specifically identify any child.
- Prepare and publish equality objectives - to do this we will analyse the data above to determine our focus for our equality objectives. Any prejudice related incidents will be reported on termly to the Local Academy Board.

We also understand our duty under the Education and Inspections Act 2006 to promote community cohesion. Community is a key theme in our school's distinctive Christian vision and we both build a cohesive sense of school community whilst being respectful to other communities our families may be part of or identify with.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

2. The Policy

The school's Equality Information and Objectives Policy draws together all previous equality legislation and details how the school is fulfilling the requirements of the Act.

3. Our Ethos

Powick CE Primary School is a place where:

- learning is fun;
- children are prepared for their future;
- all efforts are acknowledged and celebrated;
- everyone is valued and respected as an individual;
- we will educate our children about equality and diversity and where we pledge to meet the needs of all our individuals;
- everyone is encouraged to be part of and contribute to the community; and
- encourage everyone to make healthy life choices.

Our core Christian Values support our school community in understanding how we should act towards one another.

4. Addressing Prejudice Related Incidents

Powick CE Primary School is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fair less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur, we address them immediately and report them to the DoWMAT.

5. Addressing Disability Related Incidents

The school makes reasonable adjustments to meet the needs of disabled pupils and implement an accessibility plan aimed at:

- (a) increasing the extent to which disabled pupils can participate in the curriculum;
- (b) improving the physical environment of school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided; and
- (c) improving the availability of accessible information to disabled pupils.

The accessibility plan can be found as a separate policy on our website:

6. Addressing Incidents Relating to the Protected Characteristics

The school's leaders understand their responsibility to have due regard in decision-making and actions to the possible implications for pupils with particular protected characteristics. They will consider equality implications before and at the time that they develop policy and take decisions. For instance ensuring that uniform policy promotes equality and does not impact negatively on any pupils or group of pupils.

We believe that promoting equality is the whole school's responsibility.

The school eliminates discrimination and other conduct prohibited by the Act. We aim to advance equality of opportunity between people who share a protected characteristic and people who do not share it and foster good relations between people who share a protected characteristic and those who do not. We fulfil this responsibility by:

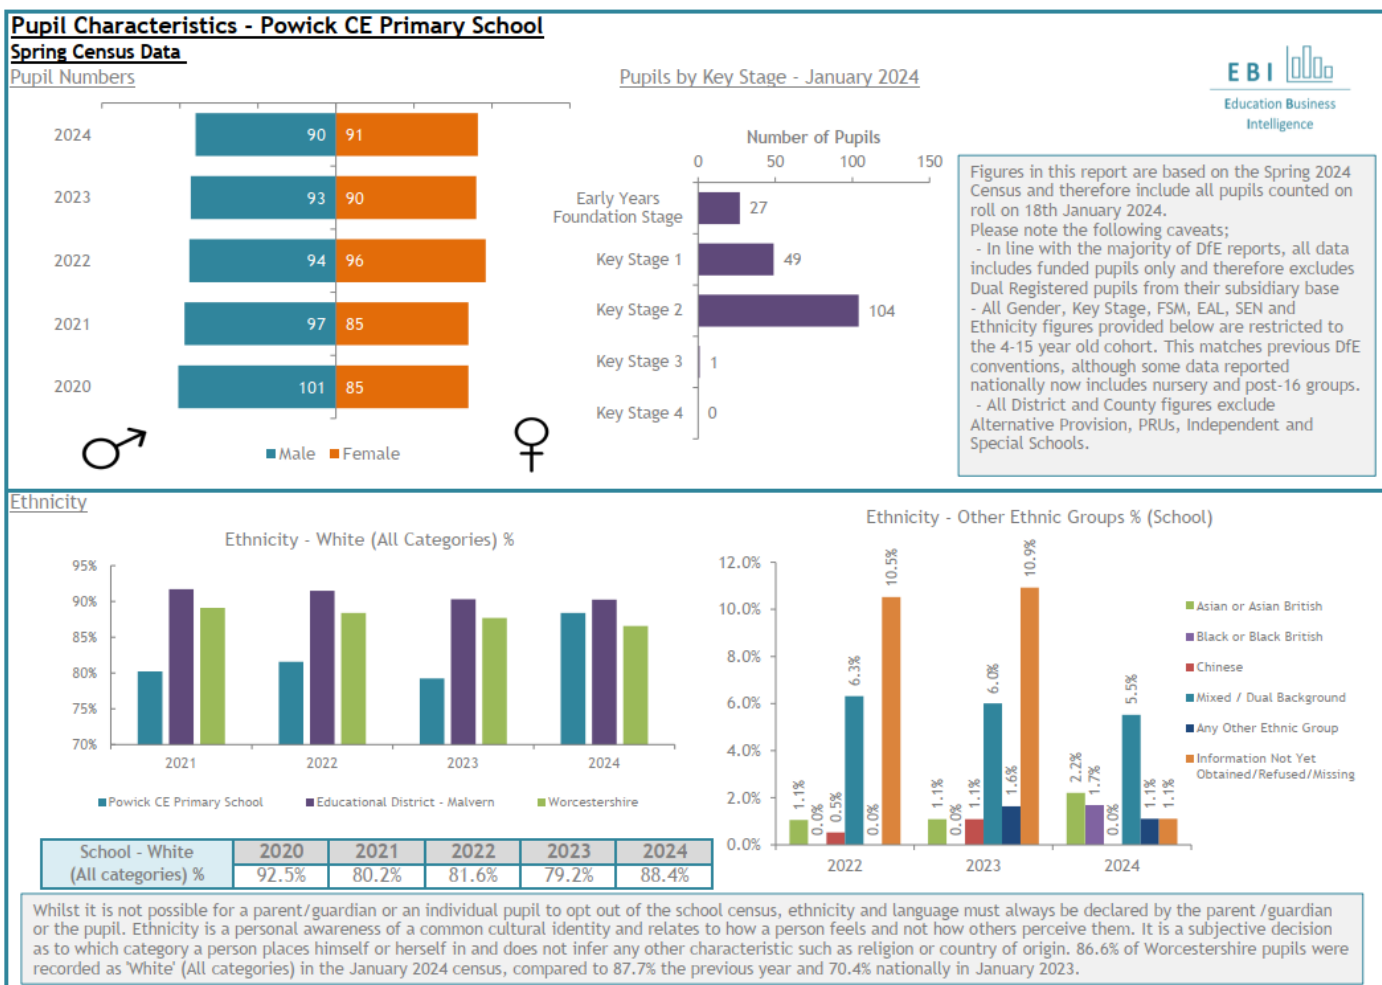

- (a) for pupils - implementation of policies on equal opportunities (including special needs, behaviour and anti-bullying);
- (b) for staff - implementation of policies on equal opportunities, recruitment and selection, pay and anti harassment policy;
- (c) PSHE, RSE, RE and other elements within the curriculum that promote friendship and understanding about cultures and lifestyles;
- (d) employing specialist staff to support pupils with special needs or disabilities, and implementing the school's accessibility plan;
- (e) monitoring of welfare, including mental health and wellbeing with intervention and support where required;
- (f) taking steps to meet the particular needs of pupils or staff that have a particular protected characteristic.

Free School Meals-FSM

Free School Meal eligibility is used as a proxy for deprivation. In January 2024, 20.4% of school aged pupils in Worcestershire were eligible (and claiming) FSM, an increase of 0.4% from the previous year. In January 2023, 23.8% of pupils nationally (over 2 million) were known to be eligible for FSM, and 18.6% were eligible and claiming FSMs.

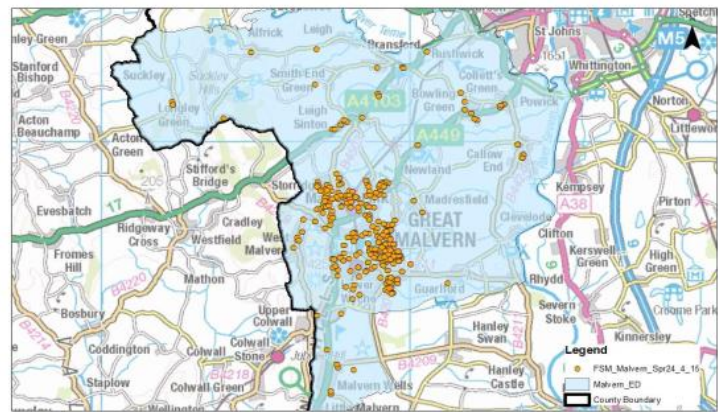

As a result of Universal Credit rollout, FSM rates have been rising due to transitional protection whereby no claim has been cancelled since 1st April 2018.
 "Any pupil in receipt of free school meals on 31 March 2018 or after, should continue to receive free school meals until the end of the universal credit roll out period, and then until their phase of education ends. This covers until at least Summer 2023, and applies even if their circumstances change and they would no longer meet the eligibility criteria." *
 * DfE Guidance for LA's on Free School Meals

Children in state-funded schools in England are entitled to receive free school meals if a parent or carer were in receipt of any of the following benefits:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of State Pension Credit
- Child Tax Credit
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits)

FSM- District Distribution Map

The map shows the distribution of pupils claiming FSM at the time of the January 2024 Census, within the school's Educational District (this includes all school phases and school types). Please note:
 - Some pupils may have home addresses outside of the area covered by the map area.
 - Dots do NOT denote individual pupils.
 FSM is used as a proxy for deprivation in various performance, analytical and funding measures - notably Pupil Premium.

Please note - All national statistics referenced in this report have been provided for comparison purposes and have been taken from the latest available published data from the DfE (January 2023 census). 2024 figures are due for release later this year.
