## Friday 14<sup>th</sup> November 2025

### Children in Need

Thank you to everyone who has donated to Children in Need by taking part in our 'Spotty Day' today. We will let you know how much the school has raised next week so if you haven't made your donation yet the Just Giving page will remain open over the weekend. [Children in need 2025](#)

### Year 6 Worship

On Wednesday, Year 6 performed their class worship to the school and their parents. They shared all of their learning so far this term and talked about the different ways that Year 6 support our whole school community with monitor jobs and leadership roles. We were very impressed with Year 6's clear and articulate presentation and it was impressive to see how much learning they have already completed this year. Thank you to all the parents who came along too.

### Maths Workshop

On Thursday, we were joined by a group of parents for our Maths Workshop led by Mr Southall. The presentation has been shared on Class Dojo for those of you who couldn't make it. We run several workshops through the year and as part of these mornings there is normally an opportunity to spend some time in your child's class seeing learning in action as well.

Our Parkrun taster event has been POSTPONED. We hope to run this on the 21<sup>st</sup> November if the rain has stopped by then!

Our School Value this half term is:

## Compassion

We will be looking out for children who are showing this value in action by:

- Being kind to their friends when they are upset or hurt
- Taking action to help others at school and at home and in the wider community
- Showing understanding of other people's thoughts and feelings

### Attendance Counts

Your child's attendance in school does matter.  
100% = Perfect Attendance!  
96% and above = up to 7 days learning missed  
93-95% = 8-12 days learning missed  
86-92% = 16-26 days learning missed  
85% or lower = at least 27 days learning missed  
(that's 5 ½ school weeks!)

### This week's attendance:

Whole school – 95.7%  
Reception – 97.6%  
Year 1 – 94%  
Year 2 – 94.9%  
Year 3 – 95.5%  
Year 4 – 100%  
Year 5 – 95.7%  
Year 6 – 100%

Well done to

Year 4 & 6

## Friday 14<sup>th</sup> November 2025

**Pupil Parliament Switch Off Fortnight Campaign** On Tuesday, pupil Parliament introduced the school to Switch Off Fortnight. They have been monitoring where appliances and lights have been left on when classrooms are not in use and found that lights and especially interactive whiteboards are being left on around the school. They explained to the children why this was such a bad idea for our environment and how they could save the school some money too by checking lights are switched off and making sure their teachers are turning off the whiteboards when they are not in use. Thank you to Pupil Parliament for running this project and I am sure they will let us know if we have improved our attitude to saving power when they check at the end of the fortnight.

*All of our children are amazing but this week we are especially proud of:*

*Class of the Week Awarded*  **Year 6**  
*for: super effort completing their homework and brilliant work in maths.*
