Wonderful World Day

All the classes had a lovely time yesterday during our Wonderful World Day. This half term the themes were all around Science. In the morning the classes looked at different careers in STEM (Science, Technology, Engineering and Maths) including aerospace, engineering, recycling, sustainability and computing.

In the afternoon they explored this year's **British Science Week** theme: **Curiosity: What's your question?**

Each class explored a different question:

Year 1 What is the best design for a paper aeroplane?

Year 2 How do boats float?

Year 3 How do we stay healthy in space?

Year 4 What are ecosystems?

Year 5 How does a vehicle travel on the moon?

Year 6 What are microorganisms? What do they need to grow?

It was great to see scientific thinking and questioning in action and the children and staff really enjoyed this special day.

Year R swapped their themes this term to celebrate Chinese New Year and will be holding a careers week next half term. Thank you to all the parents who have volunteered to come along and speak about their careers.

Our School Value this half term is:

Community

We will be looking out for children who are showing this value in action by:

- Looking after each other and listening to other's views
- Working together and being good members of a team
- Looking after our school environment
- Being polite and welcoming to visitors to our school.

Attendance Counts

Your child's attendance in school does matter.

100% = Perfect Attendance!

96% and above = up to 7 days learning missed

93-95% = 8-12 days learning missed

86-92% = 16-26 days learning missed

85% or lower = at least 27 days learning missed
(that's 5 ½ school weeks!)

This week's attendance:

Whole school – 96%

Reception – 93.8%

Year 1 – 94.7%

Year 2 – 95.8%

Year 3 – 96.6%

Year 4 – 97.8%

Year 5 – 93.5%

Year 6 – 99.2%

Well done to

Year 6
