SUMMER TERM
EDITION 8

Find out about 'The Friends' latest updates and upcoming events!

Exciting Summer Ahead:

It's all go, go, GO here!!

The Friends team are delighted to join forces with Mrs Price, the staff and collaborate with our Powick families for upcoming events...

Some great news is...last half term we fundraised £650 from the Mothers Day Gift Den AND our bunny Easter raffle. Therefore, we will be sharing with you the details about the upcoming Colour Run on Friday 8th May soon.

We would also like to thank Counsellor Tom Wells for generously providing us with a grant to help hold this event.

Therefore, we do have a bit of a **SURPRISE** for the school...we have purchased a Mini Crazy Golf Course!

This ex-wedding hire is a moveable feature with 9 individual and unique holes. It will be a perfect asset to the fete, the Year 6 leavers and general school use to promote hand, eye co-ordination. Also, not many children can say they have a Mini Crazy Golf Course at their school! Hehe It is currently in storage and will be revealed at Powick Fete.
