## Powick CE Primary School September 2026- Reception Intake

Dear Parents and Carers,

We are delighted to welcome your child to our school community for September 2026. We are incredibly proud of our school community and the warm, nurturing environment that we provide for all of our children. We very much look forward to working in partnership with you to support your child as they settle in, grow in confidence and truly flourish during their time with us.

This induction pack gives you all of the details you will need to prepare for your child's start at our school. We hope that you will find the answers to any questions you may have within it. If you do have any further queries, then please contact the school office up until the end of the summer term on Friday 17th July and a member of staff will be able to help.

The contact details for the school office are:  
[office@powick.dowmat.education](mailto:office@powick.dowmat.education) or 01905 830336

Enclosed with this letter are several pieces of important paperwork and information. Please ensure all paperwork (that is printed on yellow paper) is signed and returned to the school office either in person or via post by **Friday 5th June**. A checklist is included within the New Pupil Information Pack to highlight which forms must be returned to school.

If there is any further information you require, please do not hesitate to get in touch.

We very much look forward to inviting you, and your child, to visit our school and will send further information about induction visits soon.

Yours sincerely

Mrs S Price  
Headteacher
