Wonderful world day

The children have had another Wonderful World Day today. We have a Wonderful World Day at the end of each half term when the children have the chance to learn in depth about an aspect of our world that is not covered in their normal curriculum. Today the focus has been all around STEM (Science, Technology, Engineering and Maths) careers and the National Science Week theme for 2025 of 'Change and Adapt'.

Our School Value this half term is:

Community

We will be looking out for children who are showing this value in action by:

- Looking after each other and listening to other's views
- Working together and being good members of a team
- Looking after our school environment
- Being polite and welcoming to visitors to our school.

Powick School's distinctive Christian vision:

Embracing Learning Together

Our school community cares for each other and loves to learn together.

Attendance Counts

Your child's attendance in school does matter.
100% = Perfect Attendance!

93-95% = 8-12 days learning missed
86-92% = 16-26 days learning missed
85% or lower = at least 27 days learning missed
(that's 5 ½ school weeks!)

This week's attendance:
