

Powick CE Primary Newsletter

Friday 19th July 2024

We are saying goodbye today to another fabulous group of Year 6 children who will be leaving Powick CE Primary School today to start new adventures at secondary school in September.

All of the children in Year 6 have impressed us this year with their hard work and perseverance but also in the many other ways that they have really shone as excellent role models for our school community. Their SATS results demonstrated how dedicated they are to doing their best and persevering when the going gets tough but this is far from their only achievement this year.

All of Year 6 have made a positive contribution to our school during their time at Powick and especially in their final year. Pupil Parliament have done an excellent job listening to the other children and then putting in place changes at school. We will have an 'adapted sports' club running next term due to Pupil Parliaments research and presentations. The House Captains were superb supporting the other children on Sports Day and all of the children have held monitor roles and taken on responsibilities to help school run smoothly each day.

Year 6 have also impressed us with their creative side. They treated us to some excellent entertainment, showing off their performance skills, during the play last week, which raised lots of laughs. The teachers were also so impressed with the kindness and compassion this special group of children showed when they all pulled together to support one another at Residential. They demonstrated a deep understanding of what it means to be part of a caring community. A value our school believes in deeply. What excellent young leaders they are becoming!

We are very proud of all of Year 6, however, each year some children who are leaving us are awarded in the leavers' service in recognition of extra special achievement and effort.

This year's awards go to: **Mathematics** – Harry, **English** – Allarna, **Science** – Alexander, **Art** – Mofe, **Sports and Leadership** – Ava, **Computing** – Alfie, **Outstanding Progress** – Louie, **Positive Contribution** – Anmol. **The Jean Jeffries award for Kindness** – Isla

Well done to these children and all of Year 6 – they have had a truly brilliant year! We wish them all the best for their next step in their journey through education and hope they will come back to visit us one day soon.

Powick CE Primary Newsletter

Friday 19th July 2024

As we reach the end of another busy and exciting year at Powick CE Primary School, I would like to show my appreciation for all of the people who help the school be such a special place where your children are happy and safe. We are very lucky to have such a wonderful staff team at Powick who make sure that every day at school the children are engaged in their learning and that they have plenty of opportunities through the year to try new things and broaden their experiences.

This year we have also been incredibly lucky to have our new **Friends of Powick School** team, and their many helpers, who have given up lots of their own time to support the school and have reinstated some excellent traditions and created new events. **Thank you to everyone who helps out the Friends team and to ALL of our parents** who support with generous donations or by coming along to events. I would also like to thank **our fabulous volunteers** who come to school each week to help the children and support our trips and special days. **We are very lucky to have such a generous and caring community and I know that with your support Powick School will continue to go from strength to strength. THANK YOU!** Miss Worthington

All of our children are amazing but this week we are especially proud of:

Class of the Week Awarded to  **Year 3 & 5**
for: Year 3 working so hard right up to the end of the year.
Year 5 demonstrating excellent cooperation in Maths and PE.
