Residential

Year 6 have had an absolutely fabulous time on their Residential Trip to The Pioneer Centre this week. All of the children have taken on some challenging activities and practiced their teamwork and leadership skills. It is lovely to hear from Mrs Cluley how well they have supported each other especially when helping their classmates overcome difficult or frightening activities. They have all shown this half term's value of perseverance in their positive attitude and by being determined to make the most of all of the experience. We would also like to say a huge thank you to Mrs Cluley, Mrs Tolley, Mrs Rouse and Mrs Skyrme who have given up their time to accompany Year 6 on the trip making this amazing experience possible. Well done Year 6 and thank you to the staff!

Our School Value this half term is:

Perseverance

We will be looking out for children who are showing this value in action by:

- not giving up when things are difficult
- trying their hardest in their learning
- putting time and effort in to solve a problem
- using the power of the word 'yet': "I can't do this yet."

Powick School's distinctive Christian vision:

Embracing Learning Together

Our school community cares for each other and loves to learn together.

Year 2 and 5 Parental Engagement Afternoons

We love welcoming our families into school and would like to say a big thank you to all of the parents and family members who came along to support year 2 with their clay work last Friday.

The children really enjoyed sharing their learning with you and the clay houses they produced were super!

Yesterday afternoon, it was lovely to see lots of our Year 5 families coming in to work with their children on their multimedia art projects and find out more about what the Year 5 children have been up to in Art this term. Thank you to all of our parents and families who came along to both events.

All of our children are amazing but this week we are especially proud of:
