SPRING TERM
EDITION 1

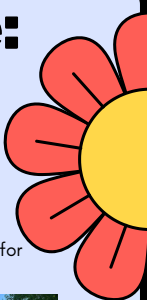

We are excited to publish our first half termly newsletter !

Cider Press update:

We are thrilled to announce we can finally book for the new base to be installed. Thanks to the wonderfully generous donations we have received from our school community and the amazing businesses that have stepped in to support us. A special thank you to GLP Training owned by Gemma Banks, who has kindly donated a huge amount and supported building this fab space. With this, we can now complete all of the processes required for the full structure to be installed.

We have our trusty team of Dads, who on the 15th March are coming to get sweaty by lifting the slabs and removing the remaining wooden structure to clear the space!

We have booked a wonderful local builder, Aaron Brace from A. Brace Building to come and set down the start of the new outdoor structure! Aaron and his team will be creating a solid foundation while we are on Easter break. Meanwhile, the new structure itself will be being made ready to go up!

Donations needed:

Coat hangers

Please drop at the office with a label for The Friends on the bag.
Thank you!

Keep up:

We've seen lots of families walking to school. With lots of traffic at the moment, it is so worth setting off that little bit earlier to enjoy a walk!
The daffodils are sprouting!
What could you spot on the way to school?

Next litter picking meet up: Tuesday 25th February

Lola's litter picking squad!

We had so much fun helping tidy the school this Tuesday for our first meet up after the half term break. We filled 2 bags with rubbish and had such a giggle! We will be meeting next on Tuesday 25th February, after school on the playground. Let us know if you want to join!

Fun fact! We have collected 8 whole bags of rubbish since we started! Likely weighing the same as two year 1's!
