## Friday 5<sup>th</sup> July 2024

### End of Year Reports

You will receive your child's end of year reports today in Year R – 5. Year 6 reports will be sent out on Tuesday 9<sup>th</sup> July as the official SATS test results will be available from this date and will be included in the Year 6 children's reports.

The reports and your child's up to date attendance certificate will be sent out to you by email. If this does not arrive by the end of the school day, or if you require a paper copy, then please let the office know. If there are any unexpected delays, we will keep you informed.

The reports contain a summary of your child's successes this year and also some targets to help them improve even further next year. Each subject is teacher assessed and this information is included in your child's report. If your child sat the Phonics Screening Test this year, you will receive a separate data sheet giving their results. If your child took part in the Year 4 Multiplication Check their score will be included in their maths comment on the report.

Year 6 children will also receive a separate data sheet showing their SATS result. From this year, Year 2 do not sit SATS so their end of year assessment is also a teacher assessment and shown in the table on the report.

There is a space at the end of the report for you to send back any comments you would like to make. If you would like to speak with your child's class teacher about their report then please contact them on Class Dojo. Appointments will be offered after school in the final week of term.

Our School Value this half term is:

### Respect

We will be looking out for children who are showing this value in action by:

- Being polite with their friends and adults
- Taking care of their environment and other peoples' property
- Treating others in a way that shows they care
- Listening and considering other peoples' points of view

Powick School's distinctive Christian vision:

### *Embracing Learning Together*

Our school community cares for each other and loves to learn together.

### Attendance Counts

Your child's attendance in school does matter.

100% = Perfect Attendance!

96% and above = up to 7 days learning missed

93-95% = 8-12 days learning missed

86-92% = 16-26 days learning missed

85% or lower = at least 27 days learning missed  
(that is 5 ½ school weeks!)

### This week's attendance:

Whole school – 95.1%

Reception – 98.2%

Year 1 – 98.1%

Year 2 – 97.1%

Year 3 – 98%

Year 4 – 97.1%

Year 5 – 100%

Year 6 – 90%

*Well done to* **Year 5** *who won the Attendance Cup this week!*

### Year R Class Worship

We were very impressed with Reception class who performed their first ever Class Worship this week. The children were really confident in front of an audience and enjoyed showing off all of the learning they have done this year. They have grown up so much and are definitely ready for their move to Year 1 in September. Well done Year R we are very proud of you!

**Year 3 Castles** Thank you also to all of the Year 3 parents who came along yesterday to the Design Technology workshop to help the children turn their castle designs into reality. We were very impressed with the creativity and the children were thrilled with the finished models. We really appreciate our parents coming into school to support their children's learning. Thank you very much!

*All of our children are amazing but this week we are especially proud of:*

Class of the Week Awarded to  **Year 6** for: their excellent attitude during their visit to Lifepath last week.

### Star Certificates
