

Harvest Festival and Foodbank Collection

Thank you to all of the parents who attended our **Harvest Festival** on Friday. It was lovely to see the Church so full so early in the year and the children put on a lovely performance of songs, poems, reading and prayers to help us celebrate this important season. I am sure you will have enjoyed sharing this service with them as much as we did - starting off our year of visits to Church so early in the Autumn Term.

Thank you also to all of the families who contributed to the **Friends of Powick School** foodbank collection. We were very impressed with the number of donations and the Malvern Foodbank will be very grateful for your generosity. Supporting this local charity is especially important at this time of year and families in need will benefit as a result of your donations. We are looking forward to working with the Friends on future projects and thank them for the hard work they have put in organising the collection this year.

Our School Value this half term is:

Forgiveness

We will be looking out for children who are showing this value in action by:

- not getting angry when someone makes a mistake,
- saying sorry and accepting when someone says sorry to us,
- being kind even when someone has done something wrong.

Parents Evening We will be holding Parents' Evenings for all of the classes in the last week of this half term.

This is an opportunity for you to book a ten-minute appointment with your child's teacher to discuss their learning and progress as well as raise any concerns you may have. If you would like to speak with your child's teacher about any other aspects of school life then please arrange to see them at another time so that appointments can be kept to schedule and parents not kept waiting.

Appointments can be either face to face or online. If you have booked a face to face appointment, then please come to the main school office to sign in if your appointment is online then your child's teacher will send instructions on how to join on Google Meet. Please check that you can log on to your child's Google account before the day of the appointment to avoid any issues.
