Year 5 and 2 Parental engagement

Year 2 and some of the parents had a wonderful time last Friday working together to create their clay house tiles in the hall. We were really impressed with the children's knowledge of the different techniques for shaping clay and the finished results were superb. Then this week Year 5 also had an arty parental engagement afternoon when the parents were invited in to support their children with their mixed media portraits. We love to see our families in school so thank you so much to all of the parents who have attended these events and the other parental engagement activities we have had through the year. I know that Year 3 and 4 both have exciting activities planned for you next half term too!

Following on from the Chair of Governor's introduction to the weekly newsletter a few weeks ago, we have had keen interest from parents to support the current governing board. Before the board look to finalise any appointments, they would like to ask if there are any other parents who are interested in putting themselves forward. Please could we ask this be done via the school office by Friday 24th May. Thank you

Our School Value this half term is:

Perseverance

We will be looking out for children who are showing this value in action by:

- not giving up when things are difficult
- trying their hardest in their learning
- putting time and effort in to solve a problem
- using the power of the word 'yet': "I can't do this yet."

Powick School's distinctive Christian vision:

Embracing Learning Together

Our school community cares for each other and loves to learn together.
