## Friday 19<sup>th</sup> January 2024

### Road safety

All of the children took part in Road Safety talks this week. Especially at Powick, with the busy Malvern Road just outside the school gates, it is really important that our children know how to keep themselves safe on the roads. They were taught about how to use different types of pedestrian crossings, how to be vigilant to risks when out and about and about the safe use of children's booster seats which should be used until your child is 125cm tall or weighs 22kg. All of the children listened carefully to these important messages and understood how important it is to pay attention when walking, scooting or cycling near roads.

### Online Safety FLIP Workshop

Thank you to the parents who joined Miss Holmes for the online safety workshop on Tuesday.

The slides from the session have been shared on the whole school story on Class Dojo – please do try and find a few minutes to make sure you are up to date with the latest messages around keeping your children safe online. On Safer Internet Day on the 6<sup>th</sup> March all of the classes will take part in lessons and other activities to remind them of the key principles for keeping themselves and others safe on line.

Most importantly, if your child sees anything worrying they should share it with an adult either at home or in school so that they can be supported.
